LEE COUNTY TAX COLLECTOR WAIVES APPOINTMENT REQUIREMENT AND OFFERS EXPEDITED SERVICES FOR RESIDENTS IMPACTED BY TORNADOES OF JANUARY 16, 2022.

Fort Myers, FL, January 18, 2022 – In response to the devastating TORNADOES of January 16, 2022, Noelle Branning, Lee County Tax Collector, announced today that her offices will temporarily waive appointment requirements and offer expedited services for residents of the mobile home parks impacted by Sunday’s tornadoes.

Lee County residents must normally make an appointment to conduct motor vehicle or driver license transactions with the Lee County Tax Collector’s Office. “Residents of Century 21 Mobile Community, Tropicana Mobile Manor and Cottage Point who may have lost their vehicle title, registration or driver license because of Sunday’s storms can walk into any Tax Collector Service Center to replace these important documents,” said Noelle Branning, Lee County Tax Collector. “It is our privilege to facilitate services for our neighbors during this trying time,” she continued.

Impacted residents seeking Tax Collector services such as driver license/ID replacements, duplicate titles, etc. can walk into any Lee County Tax Collector Office, identify themselves as a resident of a mobile home park affected by the storm, and receive service that same day.
